Model 10V:

The 10V is Sentry Siren's cornerstone of the mid-sized warning siren line. With thousands of units distributed worldwide, the 10V continues to outperform and outlast even our lofty expectations, all at a price point virtually anyone can afford.

Key features:

- Rated at 115dB(C) at 100ft.*
- 3,300ft. estimated coverage radius / effective range*
- 10HP, continuous-duty AC motor; 1PH and 3PH; 208-240VAC standard
- Omni-directional (non-rotating) warning siren
- True 360 degree full dB sound output
- 100% maintenance free
- Electro-mechanically generated sound
- 5 year factory warranty
- Powder coated steel construction. Stainless steel available on request.
- Easily replaces aging existing sirens

"We are so pleased with our selection of Sentry Siren, Inc. as our warning siren system supplier. The performance of our Sentry sirens is impressive; they are very reliable and very loud. And the customer service they provide is second to none. We would highly recommend Sentry to anyone looking to invest in their community with a warning siren system."
